Service Matters

(Revised 2024)

DIRECTOR'S MESSAGE

Dear Participants,

Dr. MCR Human Resource Development Institute of Telangana, Government of Telangana has been conducting Capacity Building Programmes for the last 48 years. We have commenced a new initiative this year to develop department-specific training programmes. Towards this, an exercise has been conducted and departments have nominated Nodal Officers. Faculty members of the Institute visited the departments, held consultations, and conducted Training Needs Analysis (TNA) in order to identify areas of "Priority" for training your Officers/Staff.

Dr. MCR HRDIT has also developed a new Online Nomination Module aimed at streamlining the nomination process for training programmes conducted by the Institute. This Online Nomination Module has been integrated into the Institute's Training Information Management System (TIMS) website. This module will allow your departments to nominate trainees for the training programmes through an easy and convenient online process.

The Manual on Service Matters, published on 18 July, 2003, covered such themes as State and Subordinate Service Rules, Fundamental Rules & Subsidiary Rules, Civil Services (Conduct) Rules, 1961 and Civil Services (CCA) Rules, 1991, Leave Rules and Pension Rules etc. This book also contains the importance of ethical values to Government servants.

However, in view of the changes brought out and amendments issued by the Government from time to time, the above volume on Service Matters has been revised and updated, with latest information covering various aspects of Service Matters such as, information regarding modified roster system in Rule of Reservation, examples of pay fixations in different conditions of service with RPS 2020, changed Automatic Advancement Scheme, Special Leaves those were introduced by the Government from time to time, Pension Rules etc.

It may be noted that the information given in this volume is for training purposes only and cannot be the basis for any litigation or legal action.

We propose to update and revise other handbooks too, in due course of time. We would, therefore, request you to study the material provided in these handbooks and send your suggestions, if any, directly to the Director General, Dr. MCR HRD Institute of Telangana, Road No. 25, Jubilee Hills, Hyderabad-500 033. Please quote the title of the booklet while sending the suggestions.

Provided that the person who already got a promotion once when no tests are prescribed for the higher post, the exemption is not applicable to him or her if he or she is to be considered for further promotion to next higher category where tests

SERVICE MATTERS

are prescribed. (This adhoc rule is applicable from the Panel year 1997-98).

Provided further that the exemption is applicable in case of departmental tests or special tests only, where they are prescribed as a pre requisite for promotion and this exemption shall not be applicable where like technical or academic qualifications are prescribed for promotion to the next higher category of posts.

CHAPTER-II

FUNDAMENTAL RULES AND SUBSIDIARY RULES OF TELANGANA GOVERNMENT

INTRODUCTION

1.1 The Fundamental Rules apply to all Government Servants paid from the consolidated fund of the State. They deal with service aspects relating to Government servants such as the General Conditions of Service, Pay, Pay Fixations, Increments, Additions to Pay, Combinations of Appointment, Dismissal, Removal and Suspension, Retirement, Leave, Joining Time and Foreign Service, etc. The Power of Interpreting these Rules is reserved to the Government.

1.2 Some of the important definitions in these Rules are, as follows (F R. 9).

Duty: Service in a post, joining time, authorised course of training, compulsory wait treated as such by competent authority, periods of enforced halts enroute on tour, CL, etc., are treated as Duty.

Pay: (i) Basic Pay (ii) Special Pay (iii) Personal Pay (iv) Additions to Pay granted under FR 49.

Foreign Service: means service in a post where the Govt. servant draws his pay from a source other than the consolidated fund of the state.

Personal Pay: means additional pay granted to save the employees from loss in substantive pay or on personal grounds like family planning incentive increment.

1.3 The whole time of a Government Servant is at the disposal of Government and he may be employed in any manner required by proper authority without claim for additional remuneration (FR11).

SERVICE MATTERS

1.4 **Lien:** The concept of confirmation has been amended in G.O.Ms. No. 633, G.A. (Services) Departments, dt.8-11-89. Confirmation is delinked from availability of permanent post. Confirmation can be done against a temporary post in the initial post after satisfactory completion of probation.

No person can be appointed regularly without a Medical Certificate of health as provided under FR 10.

1.5 Government may transfer a Government servant from one post to another (FR 15).

1.6 A Government servant may be required to subscribe to a provident fund or similar funds (FR 16).

1.7 No Government servant shall be granted leave of any kind for a continuous period exceeding five years. Wilful absence from duty not covered by grant of any leave will be treated as a 'Dies-non' for all purposes, viz., increment, leave and pension.

1.8 Interruption between two or more spells of service shall be treated as automatically condoned without any formal orders of the sanctioning authority, excluding, however, the periods of Interruptions themselves (FR 18).

2.1 PAY FIXATIONS: Following are some of the circumstances under which pay fixation arises:

1. First appointment to a post.
2. Revision of Scales of Pay.
3. Promotion to a post carrying higher responsibilities.
4. Reversion to a lower post.
5. Appointment by Transfer to a post outside the regular line.
6. Repatriation to the parent Department from outside the regular line.
7. Substantive appointment to a post not carrying higher responsibilities or to a new post.
8. Automatic advancement.
9. Re-employment.

2.2 GENERAL PRINCIPLES OF PAY FIXATION

(i) The provisions under FR 19,22,22-B, 23,26 (aa), 30 &31 deal with the principles of pay fixation.

(ii) For purpose of pay fixation only basic pay is taken into consideration.

(ii) In respect of Revision of Pay Scales, the guidelines given by Government for pay fixation each time lay down the principles of pay fixation. In the absence of guidelines pay should be fixed at the same stage in the revised pay scale and if there

SERVICE MATTERS

is no stage at a next below the stage to the pay drawn in old scale and the difference treated as personal pay to be absorbed in future increments.

FIRST APPOINTMENT:

On first appointment, pay is fixed at the minimum of the pay scale. However, the pay of a regular Govt. Servant when appointed directly to another post, on selection by the TGPSC is protected.

--	--

On completion of 12 years of service in the same post the same pattern of pay fixation under FR 22a(i) read with FR 31 (2) should be followed.

SERVICE MATTERS

2.2.4 Fixation of pay of retrenched employees owing to reduction of staff as a measure of economy on their absorption : According to ruling (9) under FR 22 read with G.O 1002, GAD dt.29-11-67, GO 219, Fin. Dt.14-4-72 the pay of those employees absorbed on an identical post or a lower post should be fixed at the minimum of the time scale of the post in which they are absorbed plus grade increments counting the length of previous service in the equivalent and higher grade, provided they have not received any pension or gratuity or if received have returned the same either in lumpsum or in instalments as prescribed by the appointing authority. Otherwise, only the minimum of the time scale should be allowed. If the pension and gratuity already received are refunded, previous service before retrenchment will be counted for pension to the extent admissible. But the leave at credit shall not be allowed to carry over, to the leave account of service after absorption.

3.1 In G.O.Ms.No.65, Fin (HRM.IV) Dept, dt.17-6-2021, Government introduced a new Automatic Advancement Scheme in the Revised Pay Scales of 2020 w.e.f 1-7-98. The scope of applicability of this scheme is limited to the employees drawing pay in the scale of Rs.72850-147310/- (Grade upto and inclusive of Grade XXV in the RPS 2020) and below. The main features of this scheme are as under.

3.2.1. On completion of six years of service which counts for increment an employee shall be eligible for special grade scale which is usually a scale next above the ordinary pay scale of the post.

3.3.2 On completion of 12 years of service which counts for increments and if the employee is fully qualified to be promoted to the higher post he shall be eligible for the pay scale of next promotional post, if there is one. If there is no promotional post under the relevant service rules, the employee is eligible for the scale of pay next above the Special grade post (special Promotion post scale-IA/ special Adhoc Promotion post scale-IA) and on completion of 18 years SPPIB/SAPPIB awarded in the existing scale.

3.4.3 On completion of 24 years of service which counts for increment an employee shall be sanctioned one increment in the next promotion post scale that is SPP-II scale/ SAPP-II as the case may be which is in addition to normal increment. Other compensatory allowances on the basis of pay which the employees is in receipt on the date of suspension subject to furnishing of a certificate that he is not engaged in any other employment, business, profession or vocation.

7.2 If the period of suspension exceeds 3 months the authority is competent to increase the subsistence allowance, for any period subsequent to the period of 3 months, suitably by an amount not exceeding 50% of such allowance if the suspension has been prolonged for, the reason not directly attributable to the employee and may reduce it by 50% of the reasons directly attributable to the employee. The rate of dearness allowance will be based on such increase or decrease in subsistence allowance. A second or subsequent review can be made at any time at the discretion of the competent authority and the subsistence allowance can be increased or reduced by 50% of the allowance originally granted based on the reasons already explained

8.1 FR 54,54-A and 54-B deal with the regulation in case the orders of dismissal, removal, compulsory retirement and suspension are set aside and the employee is reinstated on appeal or review. In cases where the reinstatement is ordered on appeal or review, the competent authority should first decide whether the employee is fully exonerated or not of the charges which resulted in his dismissal, removal or compulsory retirement/ whether the suspension is justified or unjustified. The Competent authority should also state whether the period of absence is treated as duty or not duty. The period treated as not duty cannot be treated as leave to which the employee is entitled without the request of the employee. If the employee is fully exonerated or suspension is unjustified the period of absence should be treated as duty and in other case as 'not duty. In case where the period is treated as duty, the employee is entitled for full pay and allowances which he would have received had the punishment not been imposed. However, if the competent authority is of the opinion that the delay in reinstatement is due to the reasons directly attributable to the employee, payment of a portion of pay and allowances not less than subsistence allowance and other allowance can be ordered after giving opportunity or representation to the employee and after considering such representation.

8.2 If the period of absence is treated as 'not duty the employee is eligible for subsistence allowance. However, where the competent authority is of the opinion that the delay in reinstatement is not for the reasons directly attributable to the employee, he can order for the payment of a portion of pay and allowance not less than subsistence's allowances and other allowances after giving opportunity for representation and after considering such representation.

8.3 Where the dismissal, removal, compulsory retirement or suspension is set aside by a court of law on merits of the case and the employee is reinstated without further enquiry the period of absence should be treated as duty for all purposes and he shall be paid full pay and allowances which he would have drawn had the

punishment not been imposed.

8.4 If the case is set aside for non-compliance of the provisions of clause (2) of article 311 of the Constitution of India or the employee is not exonerated on merits, the period of absence should be treated as “not duty” and the payment of pay and allowances for the period of absence, not less than subsistence allowance and other allowances, should be specially ordered by the competent authority.

8.5 Where an employee under suspension dies before the disciplinary or court proceedings are concluded, the period of suspension immediately preceding death shall be treated as duty for all purposes and his family paid the fully pay and allowances after deducting the subsistence allowance etc, already paid.

Though the suspension is for imposition of a major penalty, but if it ultimately results in a minor penalty, still the period of suspension is to be treated as not duty.

ETHICS AND SOCIAL RESPONSIBILITY

THE MALAISE

Max Weber, a German sociologist, described for the first time to the history of Bureaucracy, its institutional qualities, characteristics and suggested an ideal rational organization for this institution.

BRIEFLY STATED

1. Bureaucracy is a hierarchically organized body of human beings who are operating under set codes, rules and regulations and paid for their work, who are subject to constant internecine problems; who are neutral, rulebound (precedent-bound often) and secretive (therein lies its power).
2. It has a rational objective for its existence and a rational manner for its performance.
3. The members of this organization are aiming constantly to improve themselves, their status and emoluments.

DYS-FUNCTIONAL

Prof. Robert Merton calls dys-functionalism a characteristics of Bureaucratic organization. By that he means that a function performed by a Bureaucrat becomes counter productive or produces bad results which are the antithesis of their objective. Complicatedness, corruption, dilatoriness, beating about the bush are now an accepted way of life with Bureaucracy all the world over. It is a question of degree in most countries, more so in developing economies.

THE NEED: SOCIAL RESPONSIBILITY

Every Bureaucrat has a responsibility to society. The Directive Principles of State Policy in our Constitution clearly give a purpose and directions to both Central

SERVICE MATTERS

and State Governments. Hence, the need for commitment to service of common man and development of the country. An ideal servant is one who:

- a. Understands the weakness of himself and his system and works in order to overcome it in the most effective manner for which he has at his command both ancient and modern tools (concepts and techniques).
- b. Acts as 'change-agent' to help the people of the country who are often steeped in old and useless (often dangerous) traditions in agriculture, social behaviour (bonded labour for eg.) etc.
- c. Optimizes the scarce resources that are at his command and allocates them towards long, medium, and short-range betterment of people's lot (for eg. Education is a long range input, employment is a short range input) by reducing inequalities.
- d. Innovates and finds solutions rather than complains.
- e. Brings in a climate of cooperation and goodwill through a helpful attitude and achieves his objectives through quick decisions.

THE SOLUTION

The Bureaucrat must aim at

- a. Better training of himself and his staff.
- b. Developing a sense of social and ethical responsibility.
- c. Managing laws, rules and regulations to enable him to perform tasks legally.
- d. Developing enormous patience and affection for the down trodden and even anger at those evil sections of society which keep at check Government's efforts to reduce social inequalities (Black-moneyed man, Hoarders, Smugglers and like).

ETHICS AND SOCIAL RESPONSIBILITIES

Ethical behaviour goes beyond a normatively moral behaviour (which no doubt is very important). It involves an extra over way of life where a bit of preaching is added to a lot of practicing of the 'brotherly spirit' so that his authority helps him to implement in practice what the concepts preach.

SOCIAL RESPONSIBILITY OF CIVIL SERVANT IN INDIA

Mahatma Gandhi once said that all the Industrialists were to regard themselves as holders of trust for the nation. A civil servant also must adopt this maxim for his existence. Civil Services help Governments to make laws and implement them:

SERVICE MATTERS

- a. For preventing concentration of wealth and monopolistic and restrictive trade practices (M & RTP Act).
- b. For setting up controls in vital sectors of the economy such as Industry (Eg. Industry Regulation Act), Food and Civil Supplies (Essential Commodities Act, Agriculture, Fertilizers, seeds and pesticides quality control measures).
- c. For a better and equitable distribution of assets through measures like (i) Land Reforms (ii) Subsidised Infrastructure building and subsidies for weaker sections and areas of society (iii) Reservation quotas, scholarships in educational institutions and employment (iv) Minimum wages laws.

All these objectives and tasks need a committed civil service.

He writes not that you had won or

 - 5.2.7 Canvassing of outside influence.
 - 5.2.8 More than one marriage.
 - 5.2.9 Consumption of Intoxication drinks.

5.3 The ultimate aim of such restrictions which forbid the Government servant to do certain acts is mainly intended to improve the tone of Public Service. The relationship between the Government and the Government servant is governed by the Law of Master and Servant relationship.

SERVICE MATTERS

5.4 A Government servant is expected to maintain a reasonable and decent standard of conduct and not bring discredit to his service by his misdemeanour.

5.5 Thus, neglect by a Government servant of his wife and his children in a manner unbecoming of a Government servant, may be regarded as a good and sufficient reason to justify action being taken against him.

5.6 If the Government were to sit back and permit its officials to commit any outrage in their Private Life, provided it falls short of criminal offence, the result may very well be catastrophic fall in the moral prestige of the Administration.

5.7 The State could demand a certain standard of conduct from the Government servant not only while performing their official duties but in their private life as well.

5.8. Arguments are often raised to the effect that in view of the complexities of modern life, the consideration of expediency should outweigh the considerations of Honesty. Consideration of expediency may be irresistible at times but their evils are merely to be put up with and not to be extolled or prescribed as standards of life and work.

5.9 A Public Officer is not at liberty to amass fortune by taking illegal gratification even though willingly given.

6.1 EVERY GOVERNMENT SERVANT SHOULD AT ALL TIMES :

6.1.1 Maintain devotion to duty.

6.1.3 Do nothing which is unbecoming of such employee or derogatory to the prestige of Government.

6.1.4 Not act in a manner which will place his official position under any kind of embarrassment.

6.1.5 Exercise his best judgement in the performance of his official duties except when he is acting under a direction from his official superior.

6.2 Integrity is uprightness, honesty or purity.

6.3 Devotion to duty is faithful service.

SERVICE MATTERS

6.4 Unbecoming of a Government servant is unmannerly attitude, insubordination, lack of decorum, laziness, corrupt habits, shirking of responsibility and other things which are normally branded as unworthy of a Government servant.

6.5 The dictionary meaning of misconduct is given as bad management, mismanagement, culpable neglect of an official in regard to his office. It is a transgression of some established and definite law or a forbidden act. It implies a wrongful intention and not a mere error of judgement. Misconduct is something more than mere negligence. It is the intentional doing of something when the doer knows to be wrong or which he doer recklessly, not caring what the result may be. It is a sufficiently wide expression and covers any conduct which in any way renders a person unfit for his office or is likely to tamper or embarrass the administration. In this sense, grossly improper or unbecoming conduct in public life may also become misconduct and may render an officer liable to disciplinary action.

6.6 Moral is concerned with right and wrong or duty which one owes to one's fellow beings or to the society in general.

6.6.1 Moral turpitude is a reprehensible act contrary to the accepted notions of right and customary rule or code of conduct accepted by the society. It would mean anything done contrary to justice, honesty, modesty or good morals.

6.7 Corruption includes all improper and selfish exercise of power and influence attached to a Public Officer.

7. No Government employee can associate himself with an association, the object or activities of which are prejudicial to the interests of the Sovereignty and Integrity of India or Public Order.

8. He should not participate in strike or absent from duty or work without permission, or neglect his duties with the object compelling any superior officer or Government to take or omit to take official action or indulge in demonstrative fast like hunger strike or refuse to receive his pay.

9. No gifts can be accepted, the prominent exception being a gift of a value of less than Rs. two hundred from personal friends on ceremonial occasions such as weddings.

10. Every Government employee (other than members of last grade service) should, on first appointment to the Government service, submit to Government a statement of all immovable properties whose value exceeds Rs. 20,000/- in the forms prescribed in

Circular Memo No. 56183/ Ser-c/99 GAD dated 15-10-99. should be kept in view.

3.6 The object of placing an officer under suspension is generally to facilitate easy collection of evidence from witnesses who may hesitate to depose against an officer so long as he is in office, or to prevent an officer from tampering with witnesses or records. In many cases it is not quite necessary to keep the officers under suspension after a certain period.

3.7 The circumstances in which a disciplinary authority may consider it appropriate to place a Government servant under suspension as indicated by the Government, are detailed below. These are only intended for guidance and shall not be taken as mandatory.

3.7.1 Cases where continuance in office of the Government servant will prejudice the investigation, trial or any inquiry (eg. apprehended tampering with witness or documents).

3.7.2 Where the continuance in office of the Government servant is likely to seriously subvert discipline in the office in which the public servant is working.

3.7.3 Where the continuance in office of the Government servant will be against the wider public interest other than those covered by (1) and (2) above, such as, there is

SERVICE MATTERS

a public scandal and it is necessary to place the Government servant under suspension to demonstrate the policy of the Government to deal strictly with officers involved in such scandals particularly corruption.

3.7.4 Where allegations have been made against the Government servant and the preliminary inquiry has revealed that a prima facie case is made out which would justify, his prosecution or his being proceeded against the departmental proceedings and where the proceedings are likely to end in his conviction and/ or dismissal, removal or compulsory retirement from service.

3.7.5 In the first three circumstances, the disciplinary authority may exercise his discretion to place a Government servant under suspension even when the case is under investigation and before a prima facie case has been established.

3.7.6 Certain types of misdemeanours or where suspension may be desirable in the four circumstances mentioned are indicated below:

3.7.7 Any offence or conduct involving moral turpitude.

3.7.8 Corruption, embezzlement or misappropriation of government money, possession of disproportionate assets, misuse of official powers for personal gain.

3.7.9 Serious negligence and dereliction of duty resulting in considerable loss to Government.

3.7.10 Desertion of duty

3.7.11 Refusal or deliberate failure to carry out written orders of superior officers.

3.7.12 In respect of the types of misdemeanour specified in (9) (10) & (11) above, discretion has to be exercised with care.

3.8 It should also be considered at an early stage whether sending the officer on leave (if he is willing to take it) will not be suitable step to take. This of course, will not apply in all serious cases where there is good prima facie case.

3.9 The authority competent to suspend the Government servant, while issuing the orders of suspension should invariably mention in the said order the subsistence allowance which should be paid to the Government servant concerned. The order of suspension cannot be given with retrospective effect. Every order, notice and the other process made or issued under these rules (Vide rule 42) should take effect only from the date of:

3.9.1 Service of that order on the delinquent by delivering or tendering it in person,

SERVICE MATTERS

if he is on duty.

3.9.2 Communication of that order to the delinquent by registered post to the address given by him, if any or of his usual place of residence.

3.9.3 Publication in the TG Gazette, if it cannot be so served or communicated.

3.10 Where a Government servant is suspended, he is free to go wherever he likes, but he must leave address with the head of the office, or if he is himself the Head of the office, with his Immediate superior. He must also leave his address with the officer, if any, holding an inquiry into his conduct. He must obey all orders to attend any inquiry into his conduct and if he fails to do so, the inquiry can be held in his absence.

3.11 A member of a service who is deemed to have been suspended by an order of the competent authority if he is detained in custody on a criminal charge or otherwise, for a period exceeding forty- eight hours, and if such a Government servant is released on bail, the competent authority may revoke the orders of suspension and admit him to duty or grant him leave during the period, if applied for by him, if the said authority thinks fit to do so having regard to the nature of the charge and other circumstances of the case. The mere fact that the member of the service has been granted bail, does not give him a right to be restored to duty.

3.12 When a penalty of dismissal, removal or compulsory retirement imposed on a member of a service who has been placed under suspension is set aside in appeal or review or by a decision of a court of law and further inquiry or action is contemplated shall be deemed to have continued under suspension from the date of the original order of dismissal, removal or compulsory retirement until further orders.

4.1 The authorities which are empowered to suspend certain members of state services are specified in rule 13. Where no such specific provision is made the concerned regional authority if any is competent to suspend members holding initial Gazetted Posts. The Head of the Department is competent to suspend members holding second level Gazetted posts. If there is no Regional authority, the Head of the Department can exercise his power in respect of both the initial and second level Gazetted Officers. In the absence of specific provision, the immediate superior Gazetted officer vide 14 (1) (a) or higher authority including appointing authority or any highest authority (including Government) is competent to exercise this power of suspension in respect

SERVICE MATTERS

of Subordinate Services.

4.2 In trap cases, the Government servant should be suspended immediately after the trap basing on the preliminary report of the Anti Corruption Bureau. If there is likely to be any interregnum between the trap and the actual relief of the trapped officer after being placed under suspension, the competent authorities should consider whether the officer could be transferred immediately so that material evidence is not destroyed and the arrangements should be made to relieve trapped officer forth with.

4.3 In disproportionate assets cases, the accused officer need not be suspended immediately following the registration of the cases. But he may be transferred to a far off non-local post to avoid likelihood of his tampering with the records and influencing the witness.

4.4 If, however, the Anti-Corruption Bureau finds during investigation that there is reasonable ground for believing the accused officer has deliberately failed to cooperate with the investigating agency or that he is trying to tamper with the official records or influencing the witnesses or bringing pressure on the investigating officers, it is open to the disciplinary authority to place the accused officer under suspension, at that stage, based on the recommendation of the Anti-Corruption Bureau to that effect.

4.5 In cases other than those mentioned above, the disciplinary authority should consider and decide the desirability of placing the accused officer under suspension, if he is not already under suspension as and when charge sheet is filed against him in the court or where after investigation, it is decided to initiate regular departmental action for imposing any of the major penalties and a charge memorandum is served in this regard.

4.6 The cases of loss and fraud are usually reported to the police and officials involved who are placed under suspension continue to be under suspension till they surrender or are apprehended by the police and prosecuted, resulting in either the case dragging on for a long time or if and when the absconding officials are apprehended and proceeded against, they are required to be paid the subsistence allowance, if they produce a certificate of non-employment.

4.7 In such cases, the disciplinary authorities shall take the following action.

4.7.1 A certificate should be obtained from the local police authorities to the effect

SERVICE MATTERS

that whereabouts of the officials concerned are not known. This certificate should be placed on record in the connected file.

4.7.2 A brief statement of the allegations should be prepared and kept on the file.

4.7.3 The disciplinary authority should himself record on the file the fact that the whereabouts of the officials concerned are not known and that the police authorities have also certified to that effect and, therefore, it is not reasonably practicable to hold the inquiry contemplated under Rule 20. The disciplinary authority can then take recourse to rule 25 where there is provision to dispense with the enquiry. Reasons for not holding inquiry should then be recorded in writing and the disciplinary authority issue orders imposing such penalty, as it deems fit. The allegations and charges have to be briefly discussed in the punishment orders. Normally in such cases, the punishment that could be meted out would be either removal or dismissal from service.

4.8 A reference to the report/recommendation made by the higher authority, Anti Corruption Bureau and Vigilance & Enforcement dept. should be avoided in the orders of suspension issued by the competent authority in order to establish that the competent authority has exercised his power independently.

4.9 Where the work and conduct of an emergency employee are not satisfactory he should not be placed under suspension pending inquiry as it involves financial loss to Government nor should disciplinary action be initiated against them but he should be discharged from service in terms of his appointment by an innocuous order so far to avoid complication.

5.1 Review of the orders of suspension after a period of every six months should be undertaken as specified below:

5.1.1 In the case of Gazetted officers, if the suspension order is issued by the Regional authority the first review after six months will be done by him only. The second and subsequent reviews will be done by the Head of the Department at six monthly intervals. When no Regional authority exists and the Head of the Department ordered suspension of first and second level Gazetted officers such order shall be reviewed every six months by him only.

5.1.2 If the original order of suspension is issued by Government all the review including first review shall be undertaken by the Government themselves and orders for continuance of the officer under suspension until further orders will be issued by the Government.

SERVICE MATTERS

5.2 In the case of non-gazetted officers first review of the orders of suspension beyond a period of six months shall be undertaken either by the authority next above the appointing authority or by the Head of the Department, as the case may be, and orders issued if so decided, to continue the officer under suspension until further orders.

5.2.1 The next review beyond a period of one year from the date of suspension shall be undertaken by the Head of the Department and orders issued by him, if so decided to continue the officer under suspension until further orders.

5.2.2 Any further review for continuing or otherwise of an officer under suspension beyond a period of one and half years from the date of suspension at intervals of six months shall be undertaken by the Government and orders for continuance of the officer under suspension until further orders will be issued.

5.3 At the end of the review as laid down above, if it is decided by the competent authority / Head of Department / Government as the case may be, that the member of the service need no longer be kept under suspension, orders should be issued forthwith revoking the order of suspension reinstating him to service.

5.4 It may not be desirable to place an officer under suspension for a long period or indefinitely. Therefore, in all cases where a member of service is placed under suspension, action regarding investigation or inquiry as the case may be, should be undertaken on priority basis with utmost speed at all levels keeping in view the limits fixed for the inquiries at all stages and disciplinary proceedings should be finalised and orders issued as early as possible. Even in respect of criminal cases filed in the special courts for SPE and ACS cases, efforts should be made by authorities concerned that the trial is completed at the earliest possible period so that the member of service is not continued under suspension for longer period.

5.5 However an outer limit of two years has been prescribed from the date of suspension, failing which the Govt. servant may be reinstated without prejudice to the proceedings being pursued. In exceptional cases, especially where there is deliberate delay caused due to non co-operation of the employee concerned suspension beyond two years can be continued.

5.5 Payment of subsistence allowance should not be withheld pending review of suspension.

SERVICE MATTERS

PART-IV : CONTROL (RULES 9-10)

6.1 Control is sought to be achieved by providing for the imposition of the following penalties on Government servants for their acts of negligence and misconduct. These penalties may be imposed on members of the state and subordinate services for good and sufficient reasons

MINOR PENALTIES

i) Censure.

ii) Withholding of promotion.

iii) Recovery from pay of the whole or any part of the pecuniary loss caused to the state Government or local authority or corporation, by negligence or breach of orders.

iv) Withholding of increments without cumulative effect.

v) Suspension (as a specific penalty) where a person has already been suspended under rule 8.

MAJOR PENALTIES

vi) Withholding of increments with cumulative effect.

vii) Reduction to a lower rank in the seniority list, or to a lower post, not or being lower than to which he was directly recruited, or to a lower time scale not being lower than to which he was directly recruited or to a lower stage in a time-scale.

viii) Compulsory retirement.

ix) Removal.

x) Dismissal.

6.2 It is misnomer to consider the minor penalty as of little or no significance. According to G.O. Ms. No. 342 GAD (Ser) dt. 4-8-97, any minor penalty debars promotion for a minimum period of one year. Withholding of increments with cumulative effect bars promotion for twice the period of stoppage.

6.3 The penalty of fine vide rule 10 (i) may be imposed only on a member of last grade service and holders of other posts specified in Appendix I to the rules.

SERVICE MATTERS

6.4 The penalty of suspension for a period not exceeding 15 days may be imposed on Forest Guards, directly recruited members of TG Police Subordinate Service, TG Special Armed Police service and certain categories of TG Fire Subordinate Service, vide rule 10 (ii).

6.5 “Censure” is a formal penalty which in the form of reprimand imposed on a person who is guilty of a blame worthy act of omission or negligence.

6.6 A warning is not a formal penalty and is administered when no formal penalty is warranted for the negligence or commission. But a warning administered on a Government servant as a terminal action of the disciplinary proceedings, is an indication that he has not been fully exonerated. It is likely to adversely affect the Government servant concerned in the selection process for selection posts.

6.7 Removal of a person does not disqualify him from future employment, but dismissal shall ordinarily disqualify him from future employment.

6.7 In every case in which the charge of acceptance from any person of any gratification, other than legal remuneration, as a motive or reward for doing of forbearing to do any official act, is established, the penalty of removal or dismissal shall be imposed.

AUTHORITIES COMPETENT TO IMPOSE PENALTIES ON GAZETTED OFFICERS

7.1 The authorities which are competent to impose certain penalties on some members of the state service are given in rule 11. In the absence of such specific provision in rule II, the general rule is that every Head of the Department declared to be the appointing authority may impose on any member of the state service holding an initial or second level gazetted post under his control, any of the penalties specified in clauses i to viii of rule 9 (GO Ms. No.428 GA (Ser. C) dept. dt. 13.10.99. Government alone have the power to remove or dismiss Gazetted officers. Government being a higher authority to the Head of the department can impose any penalty on Gazetted officers after consultation with the TGPSC wherever necessary.

COMPETENT AUTHORITIES TO IMPOSE PENALTIES ON SUBORDINATE SERVICES (RULE 14)

7.2 The authorities competent to impose certain penalties on members of some subordinates service (Non-Gazetted) are specified in rule 14 and in appendices, II, III & IV. In the absence of such specific provision, the general rule is that the penalties of (i) Censure (ii) Fine (Clause (i) of rule 10) (iii) withholding of increments (Clauses (i) and (iv) or rule 9) can be imposed on a Government servant by his immediate superior gazetted officer or where the appointing authority for such member is a non gazetted officer, such officer or any higher authority. The officer next above the immediate superior Gazetted officer or appointing authority or any higher officer may impose the penalty or recovery from pay.

7.3 The appointing authority or any higher authority may impose on a member of the subordinate service the penalties of withholding of promotion for any specific fault or misconduct, suspension to the extent considered necessary, reduction, compulsory retirement, removal and dismissal.

7.4 Where in any case a higher authority has imposed or declined to impose a penalty, a lower authority shall have no jurisdiction and where in any case a lower authority has imposed penalty or exonerated a member, it shall not debar a higher authority from exercising his powers. His orders shall supersede any order passed by a lower authority (Rule 18)

PERSONS LENT (Rule 30)

7.5 Where the service of a person has been lent by one department to another, the power to impose the penalty of compulsory retirement or removal or dismissal shall lie with the lending authority. The borrowing authority shall where it considers the imposition of the above penalties necessary appoint an inquiry officer or itself hold an inquiry and forward the record to the lending authority. The borrowing authority may impose the other penalties after consulting the lending authority.

7.6 Where the services of a person are lent to a company or corporation or an authority subordinate to the state Government, the borrowing authority may, subject to the terms of deputation suspend him pending inquiry or impose the penalties (i) to (iv) of rule 9 or clause (i) of rule 10 except in the case of posts where Government alone are empowered to suspend or impose such penalties.

SERVICE MATTERS

7.7 Where the borrowing authority suspend a member of service lent to it, it shall report the circumstances to the lending authority and in case the lending authority does not agree, replace his services at the disposal of the lending authority.

7.8 Same procedure as above shall be followed in respect of officers borrowed by in the Government of TG from the Government of India, other state Government, a company, a corporation, organisation, Local or other authority (Rule 31).

PART-V : PROCEDURE FOR IMPOSING PENALTIES (RULES 20, 21, 22 & 23) MINOR PENALTIES (RULE 22)

8.1 No order imposing the penalties I to V of rule 9 or 10 shall be passed by the authority competent to impose the penalty except after the member of the service is informed in writing of the imputations of misconduct or misbehaviour and the proposal to take action against him and given an opportunity to make representation in the standard form VI or VII prescribed in Go. Ms. No. 82 GAD. (Ser-c) dt. 1-3-96, depending on the gravity of the charge(s). Representation, if any, is taken into consideration and examined. When an inquiry is conducted under Rule. 20, there is no need to give further opportunity to the charged officer and a minor penalty may be imposed on the basis of evidence adduced during the inquiry.

8.2 The record of proceedings in such cases of minor penalty should contain :

8.2.1 A copy of the intimation to the Government servant of the proposal to take action against him.

8.2.2 A copy of the statement of imputations of misconduct or misbehaviour delivered to him.

8.2.3 His representation, if any.

8.2.4 The evidence produced during the inquiry, if any.

8.2.5 The advice of the APPSC, if any.

8.2.6 The findings on each imputation of misconduct or misbehaviour.

8.2.7 The orders on the case together with the reason therefor.

SERVICE MATTERS

8.3 A disciplinary authority competent to impose any of the penalties specified in clauses (i) to (v) of rule 9 or in rule 10, may institute disciplinary proceedings against any Government servant for the imposition of any of the penalties specified in clauses (vi) to (ix) of rule 9, notwithstanding that such disciplinary authority is not competent to impose any of the latter penalties.

MAJOR PENALTIES (RULE 20)

9.1 An elaborate procedure is prescribed in Rule 20 for imposing major penalties. Under Art. 311 of the constitution no civil servant can be dismissed or removed or reduced in rank except after an inquiry in which he has been informed of the charges and given a reasonable opportunity of being heard in respect of those charges.

9.1.1 Under clause (4) of rule 20, it is the responsibility of the disciplinary authority to undertake the work of framing charges and to deliver or cause to be delivered to the Government servant a copy of the articles of charge, the statement of imputations of misconduct or misbehaviour and a list of documents and witnesses by which each articles of charge is proposed to be sustained and shall require the Government servant to submit, within such time as may be specified, a written statement of his defence and to state whether he desires to be heard in person.

9.1.2 On receipt of the written statement of defence, or if no written statement of defence is submitted by the Government servant, the disciplinary authority may itself inquire into such of the articles of charges as are not admitted in the former case and into all charges in the later case, Ex parte or appoint an Enquiry Officer under Rule 20(2).

9.1.3 A presenting officer to present the case on behalf of the Government in support of the articles of charge may be appointed by the Disciplinary authority, vide clause 5(c) of Rule 20.

9.1.4 The government servant may either appear himself in person before the Inquiring authority or may take the assistance of any other Government servant or retired Govt. servant to present the case on his behalf subject to the conditions laid down in clause (8) of rule 20.

9.2 The manner in which such an inquiry officer has to conduct the inquiry and

SERVICE MATTERS

submit his report to the competent authority is dealt within rule 20 (23). He may also recommend penalty proposed to be imposed on the delinquent officer.

10.1 on receipt of inquiry report, disciplinary authority shall first furnish a copy of inquiry officer's report to the person charged and allow a reasonable time not exceeding one month, to submit his further representation, if any, on inquiry officer's report, vide Rule 21(4).

10.2 There is no need to give any opportunity to the charged officer to make a representation against the penalty proposed to be imposed, in view of Art. 311 (2) of the Constitution as amended by the 42nd amendment Act 1976 to the constitution of India.

10.3 Where the authority to impose the punishment is the State Government, it is necessary, before passing an order, to consult the TG Public Service Commission. With a view to hastening the process of finalization of cases, Government ordered that the department should forward the proposals to the TGPSC in complete shape including information on all the items referred to in the check list appended to Govt. Memo No. 655/ Ser. C/99-1 GAD dt. 17.8.90. A copy of the letter of the Public Service Commission containing its advice, may, if applied, be supplied to the accused Government servant. Where such advice has not been accepted, a brief statement or the reasons for such non-acceptance shall be furnished to the Government servant concerned along with a copy of the case, vide rule 44.

10.4 The final order containing the decision of the authority competent to impose the penalty, should be a self - contained speaking order. Even where the order is passed by the Government, the order should set out briefly the relevant facts, findings, advice of the Commission and Government's decision thereon. It should be signed by an officer authorized to sign orders on behalf of the Government. Such an order should be communicated to the accused Government servant and his acknowledgment in token of having received it, should be obtained and kept on record.

10.5 The following types of cases may merit action for imposing one of the major penalties. These are meant for guidance and not to be treated as yard stick for imposing a major penalty.

10.5.1 Cases in which there is a reasonable ground to believe that a penal offence has been committed by a Government servant but the evidence forthcoming is not

SERVICE MATTERS

sufficient for prosecution in a court of law eg.,

10.5.2 Possession of Disproportionate assets.

10.5.3 Obtaining or attempting to obtain illegal gratification.

10.5.4 Misappropriation of Government property, money, stores.

10.5.5 Obtaining or attempting to obtain any valuable thing or pecuniary advantage without consideration or for a consideration which is not adequate.

10.5.6 Falsification of Governments records.

10.5.7 Gross irregularity or negligence in the discharge of official duties with a dishonest motive.

10.5.8 Misuse of official position or power for personal gain.

10.5.9 Disclosure of secret or confidential information even though it does not fall strictly within the scope of Official Secrets Act.

10.5.10 False claim on the Government like T.A. claims, reimbursement claims etc.,

11.1 The procedure laid down in Rule 20 of the AP Civil Service (CCA Rules) in regard to the imposition of major penalties, need not be followed in certain exceptional cases, as mentioned in rule 25, viz:

11.1.1 When a person is punished on the ground of conduct which has led to his conviction on a criminal charge.

11.1.2 Where an authority competent to impose penalty is satisfied that for some reason to be recorded by that authority in writing, it is not reasonably practicable to give to that person an opportunity of showing cause.

11.1.3 Where the Governor is satisfied that in the interest of security of the state it is not expedient to give to that person such an opportunity or to hold such inquiry.

11.1.4 Where it is proposed to impose any of the penalties specified, on the basis of the report of the Lokayukta or Upalokayukta, the disciplinary authority shall take action on the basis of the recommendation contained in that report (rule 27).

COMMON PROCEEDING (RULE 24)

12.1 According to rule 24 where two or more members of the same service or different

SERVICE MATTERS

services are concerned in any case, the Government or any other authority competent to impose the penalty of dismissal from service on all such members may make an order directing that disciplinary action against all of them may be taken in a common proceeding. If the authorities competent to impose the penalty of dismissal on such members are different, such authorities not being the Government, an order for holding such inquiry in a common proceeding may be made by the highest of such authorities with the consent of the other authorities competent to impose the said penalty on others.

12.2 It is for the highest authority who orders joint inquiry to see that the penalty imposed is proportionate to the seriousness of the charges held proved, keeping in view their degree of culpability/seriousness of lapses held, proved, while imposing the penalty in such cases.

12.3 When two or more persons are involved in one case, the magnitude of involvement of all the delinquent officers may not be the same and the degree of culpability may also vary from person to person. As such it may not be possible to impose the same penalty uniformly on all the charged officers, irrespective of the degree of their involvement. If the same penalty is imposed on all such delinquent and maligned officers involved in a case, ignoring their degree of culpability and involvement, such action is liable to be questioned. As such, it may not be legally valid to prescribe any guidelines or yardsticks for imposing penalty in such cases. The competent authority who orders such a joint inquiry should ensure that the members of service involved in disciplinary cases are imposed the penalties keeping in view their degree of culpability/seriousness of lapses/charges held proved.

12.4 The disciplinary authority should take a comprehensive view by taking into account the totality of the circumstances and the extent of involvement of each of delinquent officers while inflicting the punishment.

ACQUITTAL BY COURTS

13.1 The Supreme Court of India in Corporation of Nagpur Vs Ramachandra (1981) (2 Sec714-AIR 1984 SC. 626) has made the following observations:

13.1.1 “The other question that remains is if the respondents are acquitted in the criminal cases whether or not, the departmental inquiry pending against the respondents would have to continue. This is a matter which is to be decided by the Department after considering the nature of the findings given by the criminal court. Normally where the accused is acquitted honourably and completely it would not be expedient to continue a departmental inquiry on the very same charges or grounds or

SERVICE MATTERS

evidence, but the fact remains, however, that merely because the accused is acquitted, the power of the authority concerned to continue the departmental inquiry is not taken away or its discretion in any way fettered. However, as quite some time has elapsed since the departmental inquiry has started, the authority concerned will take into consideration this factor in coming to the conclusion if it is really worthwhile to continue the departmental inquiry in the event of the acquittal of the respondents. If, however, the authority feels that there is sufficient evidence and good grounds to proceed with the inquiry, it can certainly do so”.

13.1.2 In the light of the above judgement of the Supreme Court of India it is clear that the acquittal of the accused officer by the competent court, is no bar to initiate departmental inquiry against the delinquent officer.

13.1.3 The disciplinary authority may, if it comes to the conclusion that an order imposing a penalty on a Government servant on the ground of conduct which had led to his conviction on a criminal charge should be issued, pass such an order without waiting for the period of filing an appeal, or, if an appeal, has been filed, without waiting for the decision in the first court of appeal. Standard form for such an order is annexed to Government Memo No. 169/Ser.C/77-8 GAD dt.10.2.78.

13.1.4 Whether, despite the acquittal, the facts and the circumstances of the case are such as to call for a departmental action against the Government servant on the basis of the misconduct on which he was previously convicted, departmental inquiry may be ordered, in standard form No. II annexed to the Government memo.

13.1.5 In case where Government employee is removed or dismissed or reduced in rank after complying with the requirement of article 311 (2) of the Constitution of India or of the provisions of rule 20 of the TG Civil Service (Classification, Control and Appeal) Rules, then the order of removal, dismissal or reduction in rank, is not affected by his acquittal in a criminal court, if he is prosecuted in addition to the departmental action taken against him. If however, a Government employee is removed or dismissed or reduced in rank, solely on the ground of conduct which led to his conviction on a criminal charge, without complying with the requirements of the aforesaid article or rule and if his conviction is eventually set aside by the appellate court, or by the High court, in revision, then the order of removal, dismissal, or reduction in rank as the case may be cannot stand, and that order will have to be reviewed.

SERVICE MATTERS

UNAUTHORIZED ABSENCE-WILFUL AND PROLONGED ABSENCE FROM DUTY WITHOUT PROPER LEAVE

14.1 In circular Memo No. 4481/A/128/FR.I/88, Fin & Pig. (Fin. Wing F.R.I) dept., dt. 7.7.88 Government have issued instructions ordering concerned departmental authorities to initiate disciplinary action against those employees who remained absent from duty without proper leave and pass appropriate orders on the basis of the disciplinary proceedings by following the procedure laid down in TGCS (CCA) Rules.

Inspite of these instructions the following questions arise for consideration :

14.1.1 Whether a member of service who remained absent from duty with proper leave can be permitted to join duty if he gives joining report pending further action to determine or regulate the period of absence by taking disciplinary action or otherwise.

14.1.2 Whether the resignation tendered or request for voluntary retirement made by a member of service who has remained absent without proper leave can be accepted without determination of the period of unauthorised absence.

14.2 According to F.R 18 and rule 5-A of the TG Leave Rules, 1993 and the Note-1 thereunder, no Government servant should be granted leave of any kind for a period exceeding five years and that wilful absence from duty not covered by grant of any leave shall be treated as “dies-non” for all purposes, viz, increments, leave and pension.

14.3 Neither F.R 18 and rule 5-A of the TG Leave Rules, can be construed to mean:

14.3.1 That the member of service who remains absent from duty without proper leave cannot be permitted to join duty if he gives a joining report,

or

14.3.2 That such member of service ceases to be in service by such absence so as to discharge him from service in terms of FR. 18.

14.4 What, therefore, follows from this is that if a member of service who remains absent without any leave gives a joining report it should be ensured by the competent authority that he is permitted to join immediately pending initiation of the disciplinary action for unauthorised absence, in case such action has already not been initiated against him and in all such cases the period of unauthorised absence

SERVICE MATTERS

has to be treated as dies-non in accordance with the Note-1 under FR 18 and Rule 5-A aforesaid. This treatment of unauthorised absence as dies-non is distinct from disciplinary action taken or to be taken against the employee concerned.

14.5 What F.R 18 and rule 5-A of the TG Leave Rules mandates is that no member of service shall be granted leave of any kind for continuous period exceeding five years without the specific approval of Government. No inference can be drawn from these rules that disciplinary action against a member of service cannot be taken unless he is continuously absent for more than five years without any leave. It is not at all necessary for the authority competent to wait for a period of five years to initiate disciplinary action against the member of service for his absence from duty wilfully or unauthorisedly. In all such cases the disciplinary proceedings can be initiated against such member of service who remained absent without any leave straight way by following the procedure laid down in Rule 20 of the TGCS (CCA) Rules, 1991 for unauthorised absence without leave which constitutes good and sufficient reasons for initiating disciplinary action under the said rules and such other misconduct as having secured gainful employment elsewhere during his absence from duty without leave. In all such cases the inquiry officer has to be directed to complete the inquiry within a fixed time, say within a period of 2 months. The charges framed against the employee concerned should be communicated by Registered Post with acknowledgment due. If, however, the employee is not available at the last address given by him the charge memo should be got published in the TG Gazette and inquiry should be conducted ex-parte for taking necessary action against him. Even in such cases where an employee reports back to duty, he should be permitted to join duty without prejudice to the action contemplated or pending against him. If employee applies for leave on medical grounds along with the joining report and extends leave on the same grounds beyond three months he should be referred to Medical board for examination and necessary action may be taken against him on the basis of the medical report.

14.6 According to the note under Rule 6-A of TG Leave Rules read with proviso to FR 73, a temporary Government servant working under emergency provisions, who remains absent from duty after applying for leave or extension of leave to which he is not entitled to under the Rules shall be deemed to have been discharged from duty with effect from the date from which he is not entitled to any leave unless the leave applied for is granted in relaxation of relevant rules. Where such a temporary employee

SERVICE MATTERS

absents himself unauthorisedly or without sufficient justification, action should be taken immediately for discharging him from service invoking this rule, by issuing an innocuous order indicating the provisions under which the employee stands discharged.

REQUEST FOR “RESIGNATION” WHILE ABSENT

14.7.1 Resignation by a member of a service, who is placed under suspension from service pending investigation or inquiry into grave charges or who is deemed to have been suspended under rule 8 of the TG.C.S. (Classification, Control and Appeal) Rules 1991 shall not be accepted during the period of suspension.

14.7.2 The consequence of the resignation as laid down in General rule 30 is that not only the service rendered by the member of service in a particular post held by him at the time of resignation but also all his previous service under the Government will stand forfeited. In view of this consequence the regulation of the period of unauthorised absence would be of no consequence and the acceptance of such resignation tendered by the member of service who remained absent from duty without leave need not wait the determination of unauthorised absence.

14.8 Where Government servants, while being unauthorisedly absent or where their leave was refused, have sought for voluntary retirement on completion of 20/33 years of qualifying service in accordance with Rules 43 and 44 of Revised Pension Rules, 1980, respectively, the competent authorities concerned have failed to take action to accept them promptly, resulting in unintended benefit to the employees concerned. In case of retirement on completion of 20 years of qualifying service as provided under Rule 43 of Revised Pension Rules 1980, a Government servant who gives a notice in writing of his intention to retire voluntarily shall not retire unless the notice given by him is accepted by the competent authority, provided that the competent authority shall issue an order before the expiry of the notice period accepting or rejecting the notice. In case of voluntary retirement on completion of 33 years of qualifying service as provided under Rule 44 of Revised Pension Rules, 1980, the appointing authority has to issue orders permitting the government servant to retire from service. In normal course, in either case, the voluntary retirement can be accepted/permitted as the case may be, pending determination of the period of unauthorised absence. In cases where it is contemplated to take disciplinary action against the employee concerned, it would be appropriate to frame charges against him before he retires from service so that further action may be pursued in accordance with Rule 9 of Revised Pension Rules unless the charges are grave and acceptance of such notice would not be in public interest. As such, acceptance of notice of voluntary retirement need not await the determination of the period of absence, provided the Government servant concerned has rendered 20/33 years of qualifying service. Even in cases where an employee is permitted to retire voluntarily, departmental

SERVICE MATTERS

proceedings can be instituted with the sanction of Government in respect of a cause of action which arose or an event which took place not more than four years before such institution, in terms of Rule 9 of Revised Pension Rules.

14.9 Whenever official continues to remain absent from duty or overstays leave without permission and his whereabouts are not known, or fails to reply to official communications, the disciplinary authority may initiate action under Rule 20 of CCA. Rules. In all such cases, the competent authority should, by a registered acknowledgment due letter addressed to the official at his last known address, issue a charge-sheet in the form prescribed for the purpose and call upon the official to submit a written statement of defence within a reasonable period to be specified by that authority. If the letter is received undelivered or if the letter having been delivered, the official does not submit a written statement of defence on or before the specified date or at a subsequent stage does not appear in person before the inquiry officer, or otherwise fails or refuses to comply with the provisions of TGCS (CCA) Rules, the inquiring authority may hold an ex-parte inquiry. The notices of all hearing should be served on the accused or communicated to him unless the first notices says that the inquiry will continue from day to day.

PART-VI: APPEALS (RULE 32-39)

15.1 No appeal lies against any order passed by the Governor under clause (iii) of rule 25, any order of an inter locutory nature in and of the final disposal of a disciplinary proceedings and any order passed by an inquiring authority in the course of an inquiry under rule 20, vide rule 32.

15.2 A Government servant may prefer an appeal against the order of suspension made under rule 8, an order imposing any of the penalties specified in rule 9 or rule 10 by the disciplinary authority, or appellate or revising authority, an order enhancing the penalty imposed under rule 9 or rule 10, an order of discharge for a contract appointment exceeding a period of five years and an order reducing or with holding pension, vide rule 33.

15.3 An appeal from an order of High Court shall lie to the Governor and from any other authority including Heads of Departments shall lie to the Government and an appeal from an order passed by a lower authority shall lie to the Head of the Department.

SERVICE MATTERS

15.4 No appeal shall be entertained unless it is preferred within 3 months of receipt of the order by the appellant. The appellate authority, if satisfied, may entertain an appeal after expiry of the above period (Rule 35 & 43). Every appeal shall be complete in itself and presented to the appellate authority. A copy thereof shall be sent to the authority, which made the order appealed against, who shall offer his comments on the appeal and furnish relevant records to the appellate authority (Rule 36).

15.5 A member of a subordinate service shall be entitled to appeal from an order passed by an authority, imposing on him any of the penalties, to next higher authority vide Rule 34 (1) (iii).

15.6 The appellate authority is under obligation to consider (i) Whether the procedure has been complied with and if not whether such non compliance has resulted in violation of any Constitutional provision or in the failure of Justice; (ii) whether the findings are warranted by the evidence on record; and (iii) whether the penalty is adequate, inadequate or severe, he can confirm, enhance or reduce or set aside the penalty or remit the case with any direction he deems fit.

15.7 The appellate authority, thus, has power to enhance the penalty in an appeal submitted by the affected employee for relief. While enhancing the penalty, the appellant should be given opportunity to make a representation against such enhancement and in case of enhancement to a major penalty, an inquiry should be conducted if not already held, vide rule 37.

15.8 The power of Revision/Review vesting in certain specified authorities under rules 40 & 41 can be exercised broadly, in the same manner as in an appeal. A time limit of six months is laid down for this purpose in clause (iv) of rule 40 (1) unless this time limit is relaxed under rule 43.

2.1 DATE OF BIRTH OF THE EMPLOYEE

Date of birth of the employee should be taken as recorded in the service book based on the Educational records. If the Educational records are not available and where year is only known and the month is not known 1st July has to be taken as the date of birth. In the case of extraordinary leave other than extraordinary leave granted on medical certificate the appointing authority may, at the time of granting such leave, allow the period of that leave to count as qualifying service if such leave is granted to a government servant.

a. Due to his inability to join or rejoin duty on account of civil commotion, or

2.1.6 COUNTING OF PERIODS OF SUSPENSION

Time passed by a Government servant under suspension pending enquiry into conduct shall count as qualifying service where, on conclusion of such inquiry he has been fully exonerated or the suspension is held to be wholly unjustified; in other cases, the period of suspension shall not count unless the authority competent to pass orders under the rule governing such cases expressly declares at the time that it shall count to such extent as the competent authority may declare.

Under provision to rule 26, resignation of an appointment to take up with proper permission another appointment whether permanent or temporary, service which counts in full or in part, is not resignation from public service. A question has been raised whether in such cases a separate sanction should be issued indicating that the resignation has been accepted under the above provisions, in order to enable the audit/ administrative officer to regulate the consequential benefits in the matter of pay fixation, carry forward of leave, pension, etc. In case of the above type the order accepting the resignation should clearly indicate that the employee is resigning to join another appointment with proper permission and that the benefits

SERVICE MATTERS
